

MARC ■ SHOCK

BIOGRAPHY

Marc Shock (Markus Nicoleit) is located in Germany near Karlsruhe. As composer and producer for electronic music he is active since over ten years in the music industry. In 2014 he published his very own remix release "Edits Vol. 1" on the market as "Marc Shock". Since then he remixed several tracks for different artists. His first single release "Spacetalk" is released in 2018

Since 2011 he is also established together with "Dreameye" under the pseudonym "Eyonics" in the scene. Besides of the first release of the duo in 2012 (Moving Energy EP) you can find several chart positioning's. An example for that is 2013 published track "Awesome" which has been ten weeks in the Swiss Dance Charts (highest position #65, #22 in the Djshop Trance Charts). With "A Night To Groove" the duo had also their own radio show for 50 episodes.

A part from composing and djing for his own artist names, he is also active as producer for other artists and does mixing & mastering.

GENRE

The Marc Shock sound can be described as groovy deep techno. He uses elements from Tech-House and House, packed with hard and deep Warehouse Techno elements. It's also known as Hardgroove or Tribal Techno.
